

# Leaf Borders ●●●●●

Difficulty: Beginner

You will need:

The highlighted crystal arrangements from the **CEIVA Dazzle Crystal Kit** (available at [ceiva.com/store](http://ceiva.com/store))

The **black** faceplate from your CEIVALife, CEIVA Pro 80 or CEIVA 8-inch Digital Photo Frame

## Directions:

1. Remove black faceplate from CEIVA frame
2. Remove crystal strips from plastic backing.
3. **Loosely** place the shorter strip along the top of the frame as shown. Loosely place the longer strip along the bottom of the frame, centering it over the CEIVA logo, as shown.
4. When placement is finalized, press all crystals firmly into place.
5. Replace black faceplate onto CEIVA frame.
